### EDUCATION

#### Suncoast Developers Guild

Certificate | 08/19 - 10/19

Suncoast Developers Guild is a three-month immersive full stack web development program in St. Pete, Florida. SDG teaches object-oriented programming through project-based learning. Technologies focused on are HTML, CSS, JavaScript, React, and C#.

#### St. Petersburg College

General Studies | 08/2018- 07/19

### BACK STORY

I am a web developer that loves to learn new programming concepts/ languages. Outside of working on development projects I enjoy working on my car. Utilizing both of those skills has helped me to continuously grow my problem-solving skills and evolved my love for troubleshooting

### DEVELOPMENT PROJECTS

#### Pothole Tracker

A web app that users are able to track and report potholes

- Technologies used: ReactJS, HTML5, CSS3, C#, and google maps.
- React native (IOS & Android) mobile app created alongside the web app.
